ONTARIO VOLUNTEER SERVICE AWARDS

The Ontario Volunteer Service Awards honour the thousands of people who generously contribute their time as volunteers across Ontario. These awards are an important way to recognize volunteers who have provided service over many years. Volunteers play a very important role in our quality of life. They help to build safe, caring and vital communities, and donate their time to help others. In fact, Ontarians donate more than five million hours of their time each year to organizations and communities across the province. The Volunteer Service awards are given to people who volunteer their time to a single organization for several years.

Hymers Agricultural Society is pleased to announce that these Awards were presented to the following
