Hymers Fall Fair - President's Message 2018

by Wendy Handy

Welcome to the 106th celebration of the Hymers Fall Fair. This year we are enjoying the theme of "Autumn Leaves and Country Breeze" and we look forward to seeing all of the beautiful colours of the season in the various homecrafts, creations, and artistry that get showcased at the Fair. The Exhibit Hall will be filled with the talent of our community, from all stages of life and all different skillsets. From one end of the Fair Grounds to the other, we welcome you and invite you to step back in time with us to enjoy a day of history, agriculture, community, and creativity.

There is so much to see and do at the Fair from the moment you enter the gate. Make sure to visit all the areas of interest that we have to offer and help support local businesses, families, farmers, and more. We are excited to offer you an authentic country fair experience while still keeping up with modern times. From the entertainers on the Hilltop and Main Stages to the chickens in the Small Animal Barn, and the BBQ Beef pit to the Market Building, there is something for everyone at Hymers.

The dedicated team of people who make up the Board of Directors, Advisory Council, Directors in Training, volunteers, and more, work hard all year to prepare for the Fair and we hope you enjoy the fruits of our labour. This dynamic and wonderful group is committed to the Fair and ensuring we are around for years to come. As our children grow up at the fairgrounds and learn the importance of volunteerism, we encourage you to get involved in any way you can and keep the Fair alive.

Once again, welcome to our Fair! We look forward to seeing you!
