

Sunday & Monday, Labour Day Weekend

September 3 – 4, 2017

Theme: “Sow it, Grow it, Show it!”

ARTISAN & MARKET VENDORS

As an **artisan** you are a skilled craft worker who makes or creates things by hand. The motto for “The Market” is “Home Grown, Home Made Goodness.” If you sell articles purchased for resale or articles sold commercially, please apply as a commercial vendor. The commercial vendor package is available on our website: www.hymersfair.com.

Any food item sold at the Fair must be packaged for take home, not for consumption at the Fair (e.g. no plates, cutlery, etc.)

Vendors must be paid up members of the Hymers Agricultural Society. Helpers must either purchase a membership, a weekend gate pass, or pay admission to get in the gate. Memberships and weekend gate passes are \$6 each. Vendor gate passes may be exchanged for memberships at the office.

Indoor space in the Market is 8 ft per table, with a table and chairs provided for a cost of \$70. A 12 ft x 12 ft outdoor space is provided in “Artisan Alley” for \$50. You must provide your own canopy, tables and chairs.

Space is limited: there are 22 tables available inside the Market Building; and 18 outdoor spots for Artisans. Send your application form, together with a cheque payable to “Hymers Agricultural Society” to the address below, early to assure desired space is available.

Set up will be on Saturday, 2 – 4 pm, or Sunday, 7:30 – 9 am.

You will receive your receipt, and purchased gate passes at that time.

Vehicles must be off the grounds by 9 am, and will not be allowed back on until 7 pm on Sunday and 6 pm on Monday. Every vendor is expected to be operational for the entire Fair.
